INFORMATION BROCHURE

From the Principal's Desk

Mrs. G. Jancy Rani
M.Sc, M.A,M.Ed,M.Phil, PGDCA
Principal

My Dear Students,

“Education is the most powerful weapon which you can use to change the World”

You are privileged to be a member of this big family 'St.Mary's Convent School, Aurangabad'. While you should feel Proud to be a student of this school, you should also contribute your share in making this institution of yours, Arise and Achieve more greatness and success.

You should be proud of this school, its traditions rules and regulations, uniform and the people who work for you and with you. They have the wisdom and the insight to turn your dreams into reality. Because “Education is not preparation for life; Education is life itself and it is the most powerful weapon which you can use to change the world”.

Where ever you may be and whatever you may be in the future, hold high the ideals that the school is trying to place before you and live by them. The name of the school that has made you to be a great extent what you are. Above all too often we are giving young people cut flowers when we should be teaching them to grow their own plants.

Our Vision

To Arise and Achieve the young generation for the challenges of tomorrow.

Our Mission

To Provide Holistic and Progressive education, in tune with the latest developments in education, in order to create multifaceted citizens with high cultural and moral values with well-honed thinking skills, good communicative abilities and high self-esteem in order to -

Explore Inclinations

Express Thoughts

Nurture Talent

Develop Confidence

Identify Dreams

Have 360° Growth.

All beginnings
require that
you unlock
new doors

St. Mary's Convent School, Aurangabad, an 'exclusive school', both for boys and girls. The school with a valued heritage, a strong ethos of mutual respect and courtesy, excellent standards of care and guidance and a vibrant programme of enrichment. Our vision and ethos are reflected in the daily life of the school.

Nurturing begins in our Nursery

St. Mary's Convent School is one of our greatest assets. We stimulate our children's natural curiosity, nurture their capacity to learn and enable them to form bonds and to express themselves as individuals.

The Nursery offers morning sessions and has its own separate, secure and extensive outdoor area.

The nursery's stimulating environment encourages interaction and discovery

"I'm impressed by how the school raises such happy and confident children."

- A Parent

This good practice continues in our reception classes where we encourage each child to develop a capacity for independent thought and self-expression. We provide a balance of activities designed to stimulate their imagination and natural inquisitiveness - something that, in turn, helps to develop their self-confidence and love of learning.

Infants & Juniors

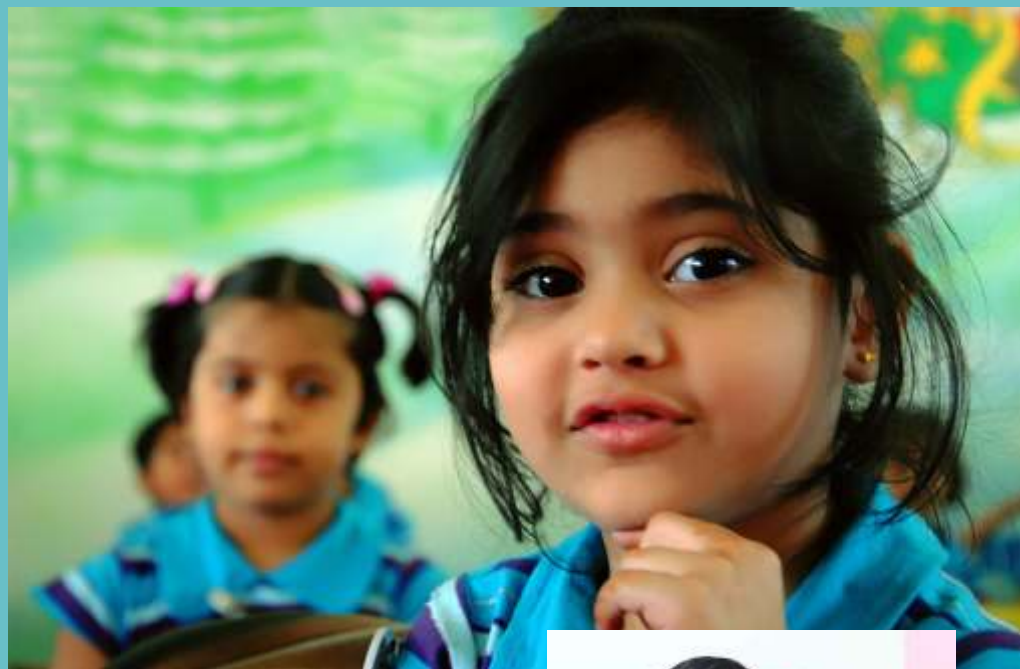

OUR TWO YEAR GROUPS are taught in a variety of settings so that our children benefit from working with both banded and mixed-ability groups. We have a long-established tradition of recognising individual needs and by creating special ability groups, we enable all our children to realise their full potential.

Our children benefit from special ability groups

Throughout the later stages of our children's education we continue to nurture their development. All subjects of the National Curriculum are enhanced by cross-curricular study, workshops and planned activities.

We work with local secondary schools to ensure a smooth transition to the next stage of our children's education.

We develop a love of learning through creativity and curiosity

The Learning Environment

ONCE INSIDE THE secure school perimeter you can appreciate in full the school's setting. Nearly acres of grounds we have utilized and enjoy extensively playing fields, wooded natural trails, adventure play areas, playgrounds, an environmental area and several meeting places.

The classrooms are bright and cheery whilst the walls are decorated with inspiring displays of creativity. For the technically minded the school is fully equipped with interactive whiteboards, a dedicated technology area and an impressive ICT suite.

The school has a dedicated technology area and an impressive ICT suite

"A friendly and caring environment for children to thrive in."

A Parent

Glow, Blow and Grow

We want all our children to thrive in an environment, where they feel Happy, Safe and Secure. We believe that the more resilient, resourceful and reflective which helps them to become, the better children in their learning and growing. Thus they may develop confidence in themselves and become the best citizens of our country.

We promote a Healthy lifestyle, provide fruit snacks for all children and encourage everyone to inculcate drinking water habit throughout the day.

Lessons are designed to be fun, constructive and interactive

We encourage our oldest children to become responsible members of our community and to help the younger ones. They act as role models in and around the school. We take care of the children with utmost care off with holistic approach. Thus the children feel free to approach the staff and the management, whenever they face any problem.
